

KTSB Celebrates 1 Million Drums Without LTI

After 5 years in operation, the Drumming, Warehousing and Tank Truck Cleaning Facility of Kertih Terminals (KTSB) achieved a major milestone by filling 1 million drums without Lost Time Injury.

About 100 guests attended the event, among them Mr. Graham Daley, COO of Optimals Group of Companies (Optimals GC) , KTSB CEO Mr. Law Say Huat, customers, drum suppliers, transporters, Petronas Security and Kertih Terminals staff. In his speech, Graham Daley said that he is proud to work with KTSB as the company strives to achieve a high operating and HSE standard.

To mark the day, Graham Daley, Law Say Huat, Drumming Superintendent Mohd Adnan Che Embong and KTSB Operation Manager Surizan Khalil jointly pasted the product label on the one millionth drum. The event ended with a souvenirs exchange ceremony between KTSB and Optimals GC. Subsequently, the guests were treated to sumptuous food and special lamb barbeque.
