

## Vopak Lanshan's New Spot Tanks

---

In April, Vopak Terminal Shandong Lanshan Ltd (VTSL) commissions 10 new 2,000 m<sup>3</sup> tanks. The new tanks will be serving the fast growing spot chemical market in Shandong. With these new tanks, VTSL will reach 146,100 m<sup>3</sup> in total storage capacity. Together with the tanks, additional truck loading bays and a new control room will also be delivered.
