

## Ningbo Received Safety Standardization Award

---

Zhejiang Province initiated a safety audit protocol known as the Safety Standardization Program in 2006. In this initial stage, a total of 81 companies were shortlisted for the whole province and of these, VTN was one.

41 companies passed the audit, and VTN obtained the best score of 97.12 within Ningbo City. One special Awarding Convention was sponsored by Zhejiang Provincial Administration of Work Safety to issue the plaques and certificates to these companies. VTN also received an award of RMB 15,000 from the Ningbo Municipal Administration of Work Safety.
