Vopak Terminal Merak: 2 million hours safe man-hours in 10 years

Singapore, 24 February 2009

With more than 2 million man-hours with no "Zero Accident", Vopak Terminal Merak (VTM) has proudly held the clean records for these past 10 solid years!

In light of Indonesia's 2009 National Occupational Safety and Health Month, Vopak Terminal Merak (VTM) took the opportunity to highlight this achievement by having a ceremony on 22 January 2009. The event was graced by Andrew North, President Director of VTM and Eelco Hoekstra, President of Vopak Asia.

Over the last 10 years, VTM has had an excellent track record for "Zero Accident", accumulating over 2 million man-hours.

With the safety track record under its belt, VTM looks forward to celebrating Vopak Global SHE Day on 6 May 2009 together with the rest of 81 terminals worldwide.
